I am freelance producer working in theatre, opera and art and have over 8 years of experience working in New York and abroad. I am the Executive Director of Heliotrope Foundation, a non-profit created by the artist Swoon. Heliotrope uses art as a tool for healing communities after natural disasters, social crises and economic devastation. During the covid-19 pandemic I have created new theatre company NAIADS bringing new immersive theatre to underserved families. I am also an avid potter.
